This vote was provided to meet the cost of: (a) the examination and appraisal of imported goods; (b) the assessment and collection of the duties and taxes payable thereon; (c) the assessment and collection of excise duties, excise taxes, and sales tax on domestic goods; (d) the supervision of customs bonded warehouses and licenced excise establishments; and (e) the port administration of the customs and excise laws and regulations in the control of international traffic entering or leaving Canada by road, rail, sea and air.

In addition to the payments from this vote, 92 customs and excise officers received \$13,443 from other departments for part time services.

- A Extra services during regular working hours and overtime services on Sundays, holidays and outside of regular hours were performed for the accommodation of railway companies and business firms, and included the services of port officers assigned to duties of a supervisory nature in bonded factories and warehouses. The cost of the extra services and a large proportion of the overtime services were paid for by the parties accommodated. The sum of \$1,163,509 so recovered was credited to this vote.
- B Expenditures included payments to: Brinks Express Company of Canada Limited, \$6,070 for armoured car services; Canadian Corps of Commissioners, \$17,152.
- C Expenditures consisted of court costs and other expenses, \$1,369; and payments to lawyers, \$13,315. Legal fees of \$500 or over were paid to: R. C. Bray, Vancouver, \$1,358; J. Clark, Montreal, \$640; G. W. N. Cockburn, St. Stephen, N.B., \$511; W. S. Martin, Niagara Falls, Ont., \$1,145; R. W. McKimm, Vancouver, \$1,144.
- D Expenditures from this allotment included \$84,368 for travelling and living expenses of officers while acting in a relieving capacity away from their places of residence and \$54,307 for removal expenses.
- E Partially offsetting this expenditure, the sum of \$10,011 was recovered (chiefly at the Port of Montreal) and is included under Non-Tax Revenue—Services and service fees.
- F For the purpose of providing uniforms for customs officers, cloth is purchased by the department for resale to clothing manufacturers—see Customs and Excise revolving fund under the schedule, Departmental Working Capital Advances and Revolving Funds, in Volume 1 of this report and the appendix to this section. This allotment includes the cost of the completed uniforms, as well as waterproof clothing, leggings, caps, buttons and badges which are purchased in quantity.
- G Stamps required for customs and excise purposes, and law stamps, required under the provisions of the Exchequer Court Act, c. 98, R.S., as amended, and the Supreme Court Act, c. 259, R.S., as amended, are manufactured under contract.

The buildings are located at frontier points, generally on international roads where traffic is limited and does not warrant the construction of more permanent facilities by the Department of Public Works.

The unexpended balance in this vote was due to changes in the construction programs by provincial highways departments necessitating deferment of certain departmental building projects, difficulties encountered in siting and property negotiations, and unfavourable weather conditions experienced in certain areas.

D. SIM,  
Deputy Minister of National Revenue  
for Customs and Excise.

NOTE.—Refunds of other excise taxes and customs duties, amounting to \$207,101 and \$2,736, respectively, were inadvertently reported as refunds of sales tax, resulting in an under-credit of \$57,228 to the Old Age Security Fund. The necessary accounting adjustments will be made in the fiscal year 1962-63.

This vote was provided for the cost of investigations which are designed to provide the basic information necessary to plan the future development, on an international basis, of the water resources of the Columbia River Basin, comprising 39,000 square miles in British Columbia for the purpose of navigation, flood control, power development, irrigation, fisheries, conservation of wild life and other purposes.

For the purpose of co-ordinating and conducting the technical studies, the International Joint Commission appointed an International Columbia River Engineering Board consisting of 4 members. The Canadian representatives are J. D. McLeod, an employee of this department, and C. K. Hurst, employed by the Department of Public Works.

Further details are contained in the following distribution of expenditures which was maintained during the fiscal year under authority of Treasury Board.

<b>Vote 294 Fraser River—Federal expenditures in connection with investigations to be carried out by the Fraser River Board .....</b>	<b>322,500</b>
<b>Expenditures .....</b>	<b>(20) \$ 300,077</b>

Gross expenditures for the year were \$580,011 of which the Province of British Columbia's share was \$290,005 of which \$10,072 is to be recovered from the province in 1962-63.

Expenditures to date on this project were \$3,005,567, of which \$1,492,712 has been recovered from the Province of British Columbia.

**Votes 295 and 550 Contributions to the provinces towards the construction of dams and other works to assist in the conservation and control of water resources in accordance with agreements entered into between Canada and the provinces**

	Estimates	Allotments	Expenditures
Contribution to the Province of Ontario towards the cost of the Upper Thames River Conservation Authority program ..	350,000	350,000	34,931

	<u>(20) \$ 2,950,000</u>	<u>\$ 2,950,000</u>	<u>\$ 156,011</u>

Canada's contributions to the various projects were subject to the signing of agreements between the federal and provincial governments. The agreements for the Ausable Dam, Upper Thames and Metro Toronto were signed late during the fiscal year. The agreement with the Province of Manitoba, relative to the Winnipeg Floodway, was not signed during the fiscal year. Contributions payable from this vote were therefore lower than anticipated.

<b>Vote 296 Nelson-Saskatchewan Basin Study—Expenditures in connection with investigations to be carried out in accordance with terms and conditions approved by the Governor in Council .....</b>				<b>\$ 204,000</b>
<b>Expenditures .....</b>				<b>(20) nil</b>

Canada's contribution to the investigation of the Nelson-Saskatchewan basin was subject to the signing of an agreement between the federal government and the Provinces of Manitoba, Saskatchewan and Alberta. An agreement was not reached during the fiscal year and, accordingly, the funds lapsed.

POST OFFICE DEPARTMENT

Under authority of the Post Office Act, c. 212, R.S., as amended, the Post Office Department, under the direction of the Postmaster General, is entrusted with the management and operation of the postal services of Canada and the Post Office Savings Bank. In addition, the department performs certain services of an agency nature for other departments (without remuneration in some instances), the most important of which are: receiving payments on Government annuities; selling unemployment insurance stamps; and making available to the public certain forms and literature issued by Government Departments.

Post Offices are divided into two main groups, namely staff offices and revenue offices. The postmasters and staffs of the staff offices are paid from parliamentary appropriations. Postmasters of revenue offices and their staffs are paid by salary warrants issued by headquarters of the Post Office Department and charged to Postal Revenue.

Appendix 1 to this section contains the Departmental Balance Sheet as at March 31, 1962 and Statement of Revenue and Expenditure for the year ended March 31, 1962.

A summary of appropriations and expenditures is given in volume I

		<u>\$ 121,039,796</u>	<u>\$ 121,039,796</u>	<u>\$ 116,982,893</u>

The variation between appropriations and expenditures was due mostly to good weather conditions in December, 1961 which resulted in low overtime and Christmas rush costs, the liquidation of overtime by time off rather than cash payments and the non-delivery of certain equipment.

- A Payments were made to: post office staffs, \$57,741; railway mail service staffs, \$441.
- B Mileage allowance consisted of payments of one and one-half cents per mile to railway mail clerks to cover the cost of their travelling and living expenses while on duty.
- C Boot allowance was paid to letter carriers, despatchers, chauffeurs, mail handlers and postal helpers at the rate of \$18.14 for spring and summer season and \$18.20 for fall and winter.
- D Expenditures included \$21,148 paid to the Department of Finance for the department's share of the costs of the consolidated switchboard, public buildings, Toronto.
- E Materials and fittings for mail bags and materials for uniforms and letter carriers satchels are purchased by the department and resold to the manufacturers—see Post Office revolving fund which is included under the schedule, Departmental Working Capital Advances and Revolving Funds, in Volume I of this report and a statement of operations which is shown in Appendix 2 to this section. Expenditures represent payments for completed articles. Uniforms are provided to eligible employees without charge.
- F Expenditures included \$373,822 for binder twine, \$24,073 for gasoline and oil and \$340,497 for printed forms.
- G Expenditures included the purchase of: sorting equipment, \$290,130; motor equipment: 5 cars, \$8,914, 2 trucks, \$6,266, 9 tractors, \$33,214; 75 mailmobiles, \$146,245; letter and parcel post boxes and equipment, \$50,101; scales, \$41,559; mail bag racks, \$14,185; lock box equipment, \$34,942; mail storage and relay boxes, \$109,683; postage meter machines, \$2,622; hammer date stamps, \$9,830; electronic sortation project, \$131,342; stamp vending machines, \$64,833; platform trucks and binnies, \$106,131; post office box keys, \$7,379; group mail boxes, \$5,145; segregating and facing equipment, \$82,472; intercommunication systems, \$39,745; cancelling machines, \$14,754; recorders, \$12,824; signs, \$9,624; counter units, \$9,064; conveyors, chutes, etc., \$4,674; bundle tying machines, \$19,786; delivery carts, \$8,574. Inspection services cost \$12,336.
- M. M. Levy, Ottawa, received \$5,378 for professional services in connection with the electronic sortation project.
- H Expenditures included: motor equipment and truck repairs, \$43,517; repairs and upkeep of letter and relay boxes, \$60,622; inspection and repairs to scales, \$26,829; repairs and upkeep supplies for workshops, \$82,312; cancelling and postage meter machine repairs, \$12,344; repairs to stamp vending machines, \$5,832; general maintenance, \$25,675.
- I Expenditures included an ex-gratia payment of \$339 to L. Desbiens, Ste Jeanne D'Arc, Que., under authority of P.C. 1961-33/597, April 27, 1961, to cover his out-of-pocket expenses for the conversion of his house to accommodate a post office prior to cancellation of his appointment as postmaster in 1961, in addition to an amount of \$351 reported in Public Accounts, 1960-61; and an ex-gratia payment of \$800 to Frederick Raymond Smith, Edgeley, Sask., under authority of P.C. 1961-27/960, July 6, 1961, to cover his out-of-pocket expenses for the conversion of his store to accommodate a post office prior to the cancellation of his appointment as postmaster in 1961.

P.C. 1959-577, May 13, 1959, authorized the appointment of H. Anscomb, A. H. Balch, A. R. Gobeil, M. A. MacPherson, Sr., H. A. Mann, Hon. C. P. McTague and A. W. Platt as commissioners pursuant to Part I of the Inquiries Act, to inquire into and report upon the problems relating to railway transportation in Canada and the causes thereof, and to recommend solutions thereto, and in particular, the Commission shall consider and report upon:

- inequities in the freight rate structure, their incidence upon the various regions of Canada and the legislative and other changes that can and should be made in furtherance of national economic policy, to remove or alleviate such inequities;
- the obligations and limitations imposed upon railways by law for reasons of public policy and what can and should be done to ensure a more equitable distribution of any burden which may be found to result therefrom;
- the possibilities of achieving more economical and efficient railway transportation;
- whether, and to what extent, the Railway Act should specify what assets and earnings of railway companies in businesses and investments other than railways should be taken into account in establishing freight rates; and
- such other related matters as the commissioners consider pertinent or relevant to the specific or general scope of the inquiry.

P.C. 1959-37/1146, September 11, 1959, authorized payments to each commissioner of (a) an amount not exceeding \$75 per day (amended by P.C. 1960-4/1740, December 22, 1960, to \$100 per day effective January 1, 1961) for each day he is engaged in performing his duties as a commissioner; (b) a per diem allowance of \$20 while absent from his normal place of residence in connection with his duties as a commissioner; and (c) actual and reasonable out-of-pocket transportation expenses.

P.C. 1960-1269, September 16, 1960, authorized the appointment of J. G. Glassco, as chairman, R. W. Sellar, and F. E. Therrien as commissioners under Part I of the Inquiries Act to inquire into and report upon the organization and methods of operation of the departments and agencies of the government of Canada and to recommend the changes therein which they consider would best promote efficiency, economy and improved service in the despatch of public business, and in particular but without restricting the generality of the foregoing, to report upon steps that may be taken for the purpose of:

- (a) eliminating duplication and overlapping of services;
- (b) eliminating unnecessary or uneconomic operations;
- (c) achieving efficiency or economy through further decentralization of operations and administration;
- (d) achieving improved management of departments and agencies, or portions thereof, with consideration to organization, methods of work, defined authorities and responsibilities, and provision for training;
- (e) making more effective use of budgeting, accounting and other financial measures as means of achieving more efficient and economical management of departments and agencies;
- (f) improving efficiency and economy by alterations in the relations between government departments and agencies, on the one hand, and the Treasury Board and other central control or service agencies of the government on the other; and
- (g) achieving efficiency or economy through reallocation or regrouping of units of the public service.

P.C. 1960-3/1740 and P.C. 1960-6/1740, December 22, 1960, authorized payment to each of Commissioners R. W. Sellar and F. E. Therrien respectively of (a) an amount not exceeding \$75 per day for each day during the period from September 16 to December 31, 1960, and \$100 per day effective January 1, 1961 for each day he is engaged in performing his duties as a commissioner; (b) a per diem allowance of \$20 while absent from his normal place of residence in connection with his duties as a commissioner; and (c) actual and reasonable out-of-pocket transportation expenses incurred while absent from his normal place of residence in connection with his duties as a commissioner.

P.C. 1961-35/117, February 2, 1961, authorized payment to Brazilian Traction, Light and Power Company Limited, for disbursements made by it on behalf of J. G. Glassco, Toronto, for actual out-of-pocket expenses incurred by him on business of the Commission, including travelling and living expenses while away from Toronto on Commission work. J. G. Glassco served without remuneration.

P.C. 1961-31/1522, October 26, 1961, cancels P.C. 1961-35/117, February 2, 1961, and recommends that, effective November 1, 1961, authority be granted for payment to J. G. Glassco, Toronto, as a commissioner under Part I of the Inquiries Act to the Royal Commission on government organization of a per diem living allowance of \$20, together with actual and reasonable out-of-pocket transportation expenses, incurred while absent from his normal place of residence in Toronto in connection with his duties as chairman of the Commission.

H. A. YOUNG,

*Deputy Minister of Public Works.*

By authority of P.C. 1960-34/1322 dated September 29, 1960, the Crown conveyed by Letters Patent to the town of Sackville, N.B., a parcel of land at the corner of Main Street East and York Street, measuring approximately 55 feet by 100 feet, as well as the existing Post Office building on the site. In exchange, the Crown received by conveyance, a parcel of land on the northwest side of Main Street, measuring approximately 133 feet by 144 feet and in addition the sum of \$21,000 from the Town of Sackville.

By authority of P.C. 1961-1063 dated July 24, 1961, the Crown is to convey by Letters Patent to the City of Prince Rupert, B.C., a parcel of land described as lots 11 to 20 inclusive, Block 21, Section 1. In exchange, the City of Prince Rupert is to convey to Her Majesty, in right of Canada, a parcel of land described as lots 1 to 10 inclusive, Block 21, Section 1 and in addition the sum of \$200,000. Both above described parcels of land are shown on Plan No. 923 registered in the Land Registry Office of the City of Prince Rupert. A payment of \$5,000 has been received. The balance, \$195,000, is to be paid by the city upon receipt of Letters Patent.

This vote was provided to meet the costs of operation and maintenance, including salaries of civilian employees of headquarters administration and national police services available to all police organizations in Canada, such as the national fingerprint bureau, the firearms registration records, the police laboratories, the *Police Gazette*, etc.

The unexpended balance of this vote resulted from 66 vacancies in the establishment strength and also to the deferment in the purchase of specific items of equipment that could not be delivered during the fiscal year.

Revenues arising from services provided through the above expenditures amounted to \$54,520 and comprised deductions from pay of members for quarters, \$44,309; deductions from pay of members for meals and rations, \$4,155; sale of clothing and kit, \$6,056.

A Rates of pay are authorized by Treasury Board under provisions of the Royal Canadian Mounted Police Act, c. 54, 1959. The following was the strength in the various commissioned and non-commissioned ranks as at March 31, 1962: 1 commissioner, 2 deputy commissioners, 2 assistant commissioners, 5 chief superintendents, 13 superintendents, 28 inspectors, 14 sub-inspectors, 4 staff sergeants-major, 39 staff-sergeants, 99 sergeants, 163 corporals, 212 constables, 41 special constables, and 110 civilian members.

The annual rates of pay for commissioned officers as at March 31, 1962 under authority of T.B. 567375, September 15, 1960 and P.C. 1961-673, May 4, 1961 were as follows: commissioner, \$20,000; deputy commissioner, \$16,000; assistant commissioner, \$13,500 and \$12,000; chief superintendent, \$12,000; superintendent, \$9,720 to \$10,500; inspector, \$8,280 to \$9,000; sub-inspector, \$7,800.

The annual rates of pay for other ranks as at March 31, 1962 were as follows: corps sergeant-major, \$6,840; staff sergeant-major, \$6,720; sergeant-major and staff-sergeant, \$6,240 to \$6,540; sergeant, \$5,640 to \$6,000; corporal, \$5,120 to \$5,300; constable, 1st class, 1st year, \$3,800, 2nd year, \$4,000, 3rd year, \$4,200, 4th year, \$4,400, 5th year, \$4,700, 6th year, (discretionary), \$4,820; constable, 2nd class, \$3,600; constable, 3rd class (probationary period of one year), \$3,400; trumpeter, \$2,400.

The Commissioner is authorized to engage special constables and civilian members under authority of the Royal Canadian Mounted Police Act, at rates ranging from \$2,460 to \$10,480 per annum.

B Expenditures comprised: plain clothes allowance at the rate of \$7.50 per month, \$4,392; kit upkeep allowance at the rate of \$8 monthly, \$47,708; special Newfoundland allowance, \$660; special allowances to members of the Royal Canadian Mounted Police stationed at foreign posts as follows: living allowance, \$66,818, home leave allowance, \$64, language allowance, \$2,695, rental allowance, \$57,875; married accommodation allowance at the rate of \$25 monthly, \$139,655.

C Expenditures were for legal fees, and miscellaneous professional and special services.

Legal fees were paid to: W. R. Jackett, Montreal, \$5,580; Joseph Sedgwick, Toronto, \$5,143.

Tuition fees paid on behalf of members and civilian employees amounted to \$19,494. Payments of \$500 or over were made to: University of British Columbia, Vancouver, \$1,203; Carleton University, Ottawa, \$2,887; Manitoba Law School, Winnipeg, \$668; University of Manitoba, Winnipeg, \$1,274; University of New Brunswick, Fredericton, \$1,659; Northwestern University Traffic Institute, Evanston, Ill., U.S.A., \$4,478; University of Ottawa, \$801; Queen's University, Kingston, Ont., \$1,960; University of Saskatchewan, Saskatoon, Sask., \$981; Sir George Williams College, Montreal, \$630; Vancouver Vocational Institute, Vancouver, \$990.

D T.B. 358315, February 3, 1949, authorized the Commissioner to arrange with the Department of Veterans Affairs to provide medical and dental facilities as authorized under Police regulations; the cost of such facilities to be paid to that department. The payment for the current fiscal year amounted to \$584,996, including \$51,095 charged to this vote, \$509,073 charged to Vote 380 and \$24,828 charged to Vote 382.

E Expenditures included \$5,075 for newspaper advertising in connection with a campaign for recruits. Payments were made to: Canadian High News, Toronto, \$4,383; Cornmarket Press (Canada) Limited, Montreal, \$692.

F The cost of rations for men in barracks where messes have been established is paid to the officers commanding the several divisions in the form of mess ration allowances at varying rates based on the number and cost of meals served.

This vote was provided to meet the costs of operation and maintenance, including salaries of civilian employees of field divisions of the Royal Canadian Mounted Police, the Air Division, and training establishments at Rockcliffe, Ont., and Regina. Field divisions are employed in the enforcement of federal statutes throughout Canada. They also provide policing services, under contract, to all provinces except Ontario and Quebec and to 119 cities and towns.

Revenues arising from services provided through the above expenditures amounted to \$12,547,005 and included: policing of provinces and municipalities, \$11,077,877; deductions from pay of members for quarters, \$658,027; deductions from pay of members for meals and rations, \$286,035; sale of clothing and kit, \$93,582; race track supervision, \$96,030; protection of various Bank of Canada agencies, \$91,348; protection of airports, \$234,832.

A Commissioned officers are appointed by the Governor in Council, and non-commissioned officers, constables, special constables and civilian members, by the Commissioner. The following was the strength in the various commissioned and non-commissioned ranks as at March 31, 1962: 6 assistant commissioners, 3 chief superintendents, 23 superintendents, 49 inspectors, 19 sub-inspectors, 4 staff sergeants-major, 198 staff-sergeants, 313 sergeants, 997 corporals, 3,852 constables, 199 special constables and 126 civilian members. General rates of pay are given under Vote 378.

B Expenditures comprised: kit upkeep allowance, \$497,770; plain clothes allowance, \$72,094; special northern subsistence allowance at the rate of \$45 per month, \$99,714; northern cash allowance at rates of \$60 and \$90 per month, \$117,448; special Newfoundland allowance at rates ranging from \$30 to \$55 monthly, \$67,889; married accommodation allowance, \$879,382. General rates of allowances are given under Vote 378.

C Expenditures were for analyst, court, legal, tuition and miscellaneous professional services. Payments of \$500 or over were made to: Associated Credit Bureaus of Canada, Toronto, \$605; Dun & Bradstreet of Canada Ltd., Ottawa, \$1,600; Kimber, Dubin & Eberle, Toronto, \$1,288; W. B. Monteith, Victoria, \$3,155; B. T. Richards, West Vancouver, B.C., \$792; Winnipeg Flying Club, Winnipeg, \$610.

D Expenditures represented payment for services of the Canadian Corps of Commissionaires and the British Columbia Corps of Commissionaires in connection with the protection of Federal Government buildings and property. T.B. 482506, February 8, 1955, as amended, authorized the Commissioner to enter into agreements for such services. The basic rate is to be established periodically by Treasury Board on recommendations received from the Department of Labour, for the relevant locations. The agreements provide for payment of additional amounts at specified rates to the respective Corps for administrative expenses and the necessary transportation costs for proper supervision of the protective services.

E Payment of \$509,073 was made to the Department of Veterans Affairs—see Vote 378.

F The cost of rations for men in barracks where messes have been established is paid to the officers commanding the several divisions in the form of mess ration allowances at varying rates based on the number and cost of meals served.

G Ex-gratia payments of \$100 or over were paid as follows:

This vote was provided to meet the costs of operation and maintenance, including salaries of civilian employees, of the Marine Division. This division is employed in the enforcement of federal statutes along the sea-boards and inland waterways and in assisting land divisions in the transport of personnel and carrying out police investigations in areas where water transportation is necessary. A particular duty is the enforcement of those sections of the Customs Act relating to smuggling including the maintenance of preventive patrols.

The unexpended balance in this Vote resulted from 42 vacancies in establishment strength for regular members, also to the deferment until 1962-63 of the annual refit of the R.C.M.P. ship *Wood*.

Revenues arising from services provided through the above expenditures amounted to \$15,358 and included: deductions from pay of members for quarters, \$4,953; deductions from pay of members for meals and rations, \$8,001.

A The following was the strength in the various commissioned and non-commissioned ranks as at March 31, 1962: 2 superintendents, 4 inspectors, 1 sub-inspector, 11 staff-sergeants, 23 sergeants, 35 corporals, 31 constables and 111 marine constables. General rates of pay are given under Vote 378.

The Commissioner is authorized to engage marine constables under authority of the Royal Canadian Mounted Police Act. The annual rates of pay range from \$3,000 to \$5,300.

B Expenditures comprised: plain clothes allowance, \$12; kit upkeep allowance, \$19,465; special northern subsistence allowance, \$2,197; married accommodation allowance, \$47,559. General rates of allowances are given under Votes 378 and 380.

C Payment was made to the Department of Veterans Affairs—see Vote 378.

D Expenditures were for provisions, mess ration allowances and fuel for cooking.

The unexpended balance in this Vote resulted from: deferment of the acquisition of plans and specifications for a construction project at Halifax, N.S., pending completion of arrangements on the property by the Department of National Defence; certain items of equipment for R.C.M.P. ships which were not required as it was found that some items that were to be replaced could be reconditioned or repaired; equipment ordered was not available; equipment was purchased at a lower cost than anticipated; certain items of radio equipment required to meet standards demanded by the Department of Transport were not available.

#### PENSIONS AND OTHER BENEFITS

<b>Pension to Basil Burke Currie, Vote 405, Appropriation Act No. 6, 1956 .....</b>	<b>(21) \$ 684</b>
---	--------------------

**Government's contribution to the Royal Canadian Mounted Police superannuation account, Royal Canadian Mounted Police Superannuation Act, c. 34, 1959 . . . . . (21) \$ 2,300,732**

This payment comprised the Government's contribution pertaining to Part I of the above act for the period January 1 to December 31, 1961.

**Pensions under the Royal Canadian Mounted Police Pension Continuation Act, c. 34, 1959, s. 31 . . . . . (21) \$ 3,344,675**

This comprised payments under parts II and III of the above authority of: statutory pensions to officers, non-commissioned officers and constables of the Force; pensions to widows and compassionate grants to children of deceased officers; pensions to widows and compassionate grants to children of officers, non-commissioned officers and constables who have lost their lives on duty. Ranks below that of commissioned officer are eligible for pensions on a non-contributory basis, which cease on the death of the recipient. The pay of commissioned officers is subject to deductions for pensions. Deductions from the pay of commissioned officers, as well as abatements from pensions covering time served in the ranks prior to appointment as commissioned officers and included in the computation of pensions, are credited to Non-Tax Revenue—Miscellaneous.

Details in respect of pensions under part IV of the Royal Canadian Mounted Police Pension Continuation Act and part I of the Royal Canadian Mounted Police Superannuation Act are given under the Royal Canadian Mounted Police dependents' pension fund and superannuation account—see under the schedule, Annuity, Insurance and Pension Accounts, in Volume 1 of this report. See Appendix 2 to this section for statement of the Royal Canadian Mounted Police Superannuation Account.

Further payments to certain persons in receipt of pensions under part I of the Royal Canadian Mounted Police Superannuation Act and parts II and III of the Royal Canadian Mounted Police Pension Continuation Act were made under authority of the Public Service Pension Adjustment Act, c.32, 1959—see Department of Finance, section 11 of this Volume.

**To compensate members of the Royal Canadian Mounted Police for injuries received in the performance of duty, Royal Canadian Mounted Police Superannuation Act, c. 34, 1959 and Royal Canadian Mounted Police Pension Continuation Act, c. 34, 1959, s. 31 . . . . . (21) \$ 106,154**

Compensation is paid in accordance with rates set out in schedules A and B of the Pension Act.

NOTE.—As at December 31, 1961, a number of claims had been presented to the Custodian in respect of the administration of vested assets. The degree of recognition which will be given to these claims has not yet been determined.

Certified correct.

R. M. SERRÉ,  
*Comptroller.*

Approved.

M. ROBITAILLE,  
*Assistant Deputy Custodian.*

I have examined the accounts of the Custodian for the year ended December 31, 1961, and have obtained all the information and explanations I have required.

The Addendum to the Statement of Assets and Liabilities explains the bases used in recording the various classes of assets vested in the Custodian, and no changes were made in these bases during the year under review.

As in previous years income earned from cash funds vested in the Custodian, and from investments acquired from such funds, has been recorded as income of the Custodian.

Subject to the above comments the Statement of Assets and Liabilities and the related Statement of Income and Expense, which have been prepared on a basis consistent with the preceding year, are, in my opinion, properly drawn up so as to exhibit a true and fair view of the state of affairs of the Custodian as at December 31, 1961, and the results of his operations for the year ended on that date, according to the best of my information and the explanations given to me and as shown by the books of the Custodian.

A. M. HENDERSON,  
*Auditor General of Canada.*

Ottawa, March 27, 1962.

NOTE 1.—In 1960-61 an interest payment of 13.1 million was received by the Department in connection with The St. Lawrence Seaway Authority Loans. In 1961-62 there was no revenue from this source. Payment of the 1961-62 interest has been deferred to future years.

NOTE 2.—The reduction of revenue in Class B and the increase in Class D is accounted for by the fact that in 1960-61 landing fee revenue amounting to approximately 5 million was included in Class B whereas in 1961-62 this type of revenue has been shown in Class D as it is considered that it more properly belongs in the latter class.

NOTE 3.—The 1960-61 revenue shows the effect of a special payment of approximately 4.9 million made by the Province of Nova Scotia as its share to date of the cost of the Canso Causeway. This is a non-recurring item.

NOTE 4.—The 1960-61 revenue was abnormally high due to a delayed payment of about 3.9 million which was applicable to northern transportation services supplied in 1959. This resulted in two years' revenue for northern transportation services being included in the one year 1960-61.

## CANADIAN MARITIME COMMISSION

The Commission was established by the Canadian Maritime Commission Act, c. 38, R.S., effective from November 1, 1947, to consider and recommend to the Minister such policies and measures as it considers necessary for the operation, maintenance, manning and development of a merchant marine and ship-building and ship-repairing industry commensurate with Canadian maritime needs.

The Act also provides that the Commission shall (a) exercise and perform on behalf of the Minister such powers, duties and functions of the Minister under the Canada Shipping Act, as the Minister may require; (b) administer, in accordance with regulations of the Governor in Council, any steamship subventions voted by Parliament; and (c) exercise or perform any other powers, duties or functions conferred on, or required to be performed by, the Commission by or pursuant to any other Act or order of the Governor in Council.

The Commission consists of three members appointed by the Governor in Council for a period of five years.

\*Amounts shown in the first column under "Estimates" represent the capital budget as originally presented by the National Harbours Board through the Minister of Transport and subsequently approved by Parliament. Those in the second column represent the details of the voted appropriations provided by Parliament and those in the third column, the net expenditures made from these appropriations.

In accordance with section 29 of the National Harbours Board Act, c. 187, R.S., as amended, certificates of indebtedness for \$4,929,985, bearing interest at 5 per cent per annum, were issued to the Government of Canada to cover the above expenditures.

Expenditures reported under contracts include amounts charged to appropriations and to the replacement fund and the Board's revenues where applicable.

The variation between the appropriation and the total of expenditures charged thereto, namely, the sum of \$2,309,567, was due in part to the fact that some of the year's expenditures were charged to the Board's own funds rather than to the appropriation; the major portion of the variation, however, was attributable to lapsing balances in three projects and to the fact that no expenditures were required to be made against the Generally—Unforeseen and miscellaneous allotment. On two of the projects in which lapsing balances occurred, the work did not proceed as rapidly as planned and in the case of the third, the bid received for the performance of the work was more favourable than anticipated. Two of these projects were again provided for in the Main Estimates, 1962-63.

\*Amounts shown in the first column under "Estimates" represent the capital budget as originally presented by the National Harbours Board through the Minister of Transport and subsequently approved by Parliament. Those in the second column represent the details of the voted appropriations provided by Parliament and those in the third column, the net expenditures made from these appropriations.

In accordance with section 29 of the National Harbours Board Act, c.187, R.S., as amended, certificates of indebtedness for \$6,400,000 bearing interest at 5½ per cent per annum and \$7,023,799 at 5% per annum, were issued to the Government of Canada to cover the above expenditures.

Expenditures reported under contracts include amounts charged to appropriations and to the replacement fund and the Board's revenues where applicable.

The variation of \$4,480,193 between the appropriation and the total of expenditures which were charged thereto was due, principally, to lapsing balances in construction projects. Some of the reasons for the lapsing balances were: delays in the preparation of necessary plans; the receiving of bids which were more favourable than expected; the work did not proceed as rapidly as planned; the decision not to proceed with certain purchases; and, in two instances, delay in the execution of the work owing to strike action.

Expenditures .....	(28)	110,000
		<u>\$ 106,483</u>

A veteran who is settled on provincial or Dominion lands and who has not received assistance under other sections of the Act may receive a grant not exceeding \$2,320 subject to the agreements that have been made with the province in which such land is situated and subject to his complying with the terms of his agreement for ten consecutive years. Grants take the form of disbursements by the Director for permanent improvements to the properties, for the purchase of livestock, farm machinery and equipment or for commercial fishing equipment.

<b>Vote 474 Grants to Indian veterans settled on Indian reserve lands under section 39 of the Veterans' Land Act</b> .....	60,000
<b>Expenditures</b> .....	(28) \$ 51,563

---

Under the above authority, an amount not exceeding \$2,320 may be granted by the Director, the Veterans' Land Act, to an Indian veteran who settles on Indian Reserve lands, the said grant to be paid to the Minister of Citizenship and Immigration, who shall have the control and management thereof on behalf of the Indian veteran.

The above expenditures represent payments to the Indian Affairs Branch of the Department of Citizenship and Immigration.

---

<b>Vote 475 Reduction of indebtedness to the Director of Soldier Settlement of a settler in respect of a property in his possession, the title of which is held by the Director, or such Soldier Settler loans which are administered by the Indian Affairs Branch of the Department of Citizenship and Immigration, by an amount which will reduce his indebtedness to an amount in keeping with the productive capacity of the property or his ability to repay his indebtedness under regulations approved by the Governor in Council</b> .....	1,000
<b>Expenditures</b> .....	(28) \$ 274

---

P.C. 33/3875, August 22, 1952, approved the regulations in respect of the reduction of indebtedness. The offsetting credit was to Soldier Land Settlement loans, which will be found under the schedule, Other Loans and Investments, in Volume I of this report.

---

<b>Vote 476 To authorize, subject to the approval of the Governor in Council, necessary remedial work on properties constructed under individual firm price contracts and sold under the Veterans' Land Act and to correct defects for which neither the veteran nor the contractor can be held financially responsible; and for such other work on other properties as may be required to protect the interest of the Director therein</b> .....	6,000

<b>Reductions in Veterans' Land Act advances, Veterans' Land Act, c. 280, R.S., as amended</b> .....	(28) \$ 34,916
--	----------------

---

The above charge represented the net amount of losses due to the resale prices of reverted properties being less than the outstanding debts on such properties. The offsetting credit was to Veterans' Land Act advances, which will be found under the schedule, Other Loans and Investments, in Volume I of this report. The loss to the Federal Government on the resale of reverted properties is partially offset by the consequent reduction of approximately \$13,201 in the re-establishment credits which would otherwise have been available to the veterans concerned.

---

<b>Write-off of active assets under authority of the Financial Administration Act, c. 116, R.S., as amended</b> .....	(22) \$ 2,911
---	---------------

---

The above entry represents 14 uncollectible debts of veterans settled under the Veterans' Land Act: 9 debts were written-off under authority of P.C. 41/1961 1086, July 28, 1961 and 5 debts under the deletion of small debts regulations. The offsetting credit was to Veterans' Land Act advances, which will be found under the schedule, Other Loans and Investments, in Volume I of this report.

Provision for reserve for conditional benefits, Veterans' Land Act, c. 280, R.S., as amended ..... (28) \$ 3,272,371

Sales of land and chattels are made to veterans at less than the cost to the Director, conditional upon the terms of the agreement of sale being fulfilled for a period of ten years.  
In each of the ten years, one-tenth of the amount of conditional benefits included in sales to veterans is charged hereto and credited to "Reserve for conditional benefits, Veterans' Land Act". As and when conditional benefits are earned, the amounts are charged thereto and credited to "Veterans' Land Act advances". These accounts will be found under the schedule, Other Loans and Investments, in Volume I of this report.

- A This allotment covers the placement services rendered by the National Society for the Deaf and Hard of Hearing, \$7,200; and the Canadian Paraplegic Association, \$10,000.
- B Included payments to part time instructors engaged for the purpose of marking correspondence courses, \$29,647.
- C Vocational training benefits may be paid to a veteran who takes a course in vocational or technical training, which has been approved as likely to fit him for employment or re-employment or to enable him to obtain better or more suitable employment. Allowances are payable for a period of twelve months or; in special cases, for a period not exceeding the period of service of the veteran.
- D Allowances may be paid to a veteran who engages on his own account in any business and is awaiting returns therefrom. Allowances are payable for a period not exceeding the veteran's period of service or twelve months, whichever is the lesser.
- E Allowances may be paid to a veteran who resumes or commences within one year and three months after discharge: (a) a course for the purpose of qualifying for admission to a university; (b) a university course, academic or professional, to which he is regularly admitted; or (c) a post-graduate course, either academic or professional. The last may be taken after completion of an undergraduate course. Allowances are payable for the period during which the veteran is making satisfactory progress in the course. Commencing with the fiscal year 1946-47, advances were made to universities for the purpose of making small loans to meet emergency conditions among veterans who are being paid educational allowances. As repayments are received by the universities, the amounts are forwarded to the department. The outstanding balance at the close of the current fiscal year was \$70,221.
- F Under authority of the Children of War Dead (Education Assistance) Act, c. 27, 1952-53, as amended, allowances may be paid to eligible children of deceased veterans to enable them to continue their education beyond matriculation, secondary school graduation or equivalent education and pay in whole or in part for the cost of such education or instruction. The total period for which allowances and costs may be paid cannot exceed four academic years or thirty-six months, whichever is the lesser.
- G Transportation and travelling expenses are paid to veterans who are taking vocational and technical training away from their home areas.
- H Controlled assistance, generally in the form of cash, to provide shelter, lodgings, fuel and food to veterans in the following classifications who are unemployed and in necessitous circumstances:
- (a) Veterans who served with the Canadian Forces during World War I, and who are in receipt of small disability pensions under the Canadian Pension Act.
  - (b) Veterans who served in World War I with Her Majesty's Forces other than Canadian or with the Forces of Her Majesty's Allies and who are in receipt of small disability pensions, and were resident in Canada on or before December 1, 1924.

## Notes to Financial Statements

1. The liability of the Canadian Arsenals Limited Pension Fund to its pensioners and contributors for the payment of pensions was transferred to the Crown under the Public Service Superannuation Act as of January 1, 1962 in accordance with regulations made by Order in Council P.C. 1961-1657 of November 16, 1961. Contributors to the Staff Savings Fund qualified to come under the same regulations were also granted the privilege to elect on or before March 1, 1962 not to become contributors under the Public Service Superannuation Act. As a consequence, the liability to contributors was discharged either by refund of contributions to the employees concerned, transfer to the Canadian Arsenals Limited Pension Fund or to the public service Retirement Fund and the investments held in trust for the Staff Savings Fund were retained by the Company.
2. As at March 31, 1962, the Company was the custodian of nine and operated eight, Government-owned plants, the total cost of which was \$101,363,455, comprising \$6,174,871 for land, \$39,236,210 for buildings, and \$55,952,374 for machinery and equipment.
3. Vote 75, Appropriation Act, No. 5, 1961 provided the Department of Defence Production \$302,075 towards construction, improvements and equipment for Canadian Arsenals Limited. Expenditures of \$290,547 were made in this respect during the year with the result that the amount of \$11,528 in the vote at the year end remaining unexpended lapsed.
4. Vote 74, Appropriation Act, No. 5, 1961 provided the Department of Defence Production \$3,880,230 towards the Administration and Operation of Canadian Arsenals Limited. Vote 691, Appropriation Act, No. 4, 1962, extended the purpose of Vote 74, by granting the Department authority to reimburse Canadian Arsenals Limited in respect of outstanding balances of previous years' operating deficits. The excess of expense over income for the year ended March 31, 1962 amounted to \$3,040,386 and the outstanding balances of previous years' operating deficits totalled \$129,340, thus the amount of \$710,504 in the vote at the year end remaining unexpended lapsed.

AUDITOR GENERAL OF CANADA

Ottawa, May 22, 1962.

THE HONOURABLE WALTER DINSDALE,  
MINISTER OF NORTHERN AFFAIRS AND  
NATIONAL RESOURCES,  
OTTAWA.

Sir,

The accounts and financial statements of The National Battlefields Commission have been examined for the year ended March 31, 1962. In compliance with the requirements of section 87 of the Financial Administration Act, I now report that, in my opinion:

- (a) proper books of account have been kept by the Commission;
- (b) the financial statements of the Commission
  - (i) were prepared on a basis consistent with that of the preceding year and are in agreement with the books of account,
  - (ii) in the case of the balance sheet, give a true and fair view of the state of the Commission's affairs as at the end of the financial year, and
  - (iii) in the case of the statement of income and expense, give a true and fair view of the income and expense of the Commission for the financial year; and
- (c) the transactions of the Commission that have come under my notice have been within the powers of the Commission under the Financial Administration Act and any other Act applicable to the Commission.

Yours faithfully,

NATIONAL CAPITAL COMMISSION—*Continued*

## Notes to Balance Sheet as at March 31, 1962

- (1) As at March 31, 1962, after crediting a parliamentary appropriation of \$5,100,000 for the fiscal year 1961-62, a balance of \$3,660,000 was held by the Minister of Finance at the credit of the National Capital Fund, available for payment to the Commission to finance, with the approval of the Governor in Council, the cost of capital projects of the Commission and contributions towards the cost of municipal projects, within the National Capital Region.
- (2) Vote 489 authorized loans of \$8,000,000 to the Commission in 1960-61 and subsequent fiscal years for the purpose of acquiring property in the "Greenbelt". Of this amount, \$6,300,000 was borrowed during that fiscal year leaving \$1,700,000 which may be borrowed in subsequent years.
- (3) In addition to the liabilities shown in the Balance Sheet, the Commission was under obligation as at March 31, 1962, for:
  - (a) unsettled property purchase options totalling approximately \$950,000;
  - (b) compensation for properties expropriated, in indeterminate amount; and
  - (c) outstanding commitments under uncompleted works contracts and for consultants' fees, amounting to approximately \$472,000.
- (4) In addition to the obligations contained in (3) above, the Commission was committed to the City of Ottawa for:
  - (a) a balance of \$468,000 payable as annual grants up to 1969, in connection with interest on the cost of construction of certain sewer and waterworks projects undertaken in advance of normal construction;
  - (b) a balance of \$4,059,954 in respect of a contribution of \$5,000,000 towards the cost of constructing an outfall tunnel sewer from John Street to a sewage disposal plant at Green's Creek so as to alleviate the pollution of the Ottawa River;
  - (c) a balance of \$43,000 in respect of a contribution estimated at \$645,000 towards the cost of re-constructing a portion of Riverside Drive;
  - (d) a balance of \$34,000 in respect of a contribution estimated at \$671,000 towards the cost of constructing a bridge on Bronson Avenue at the Rideau Canal; and
  - (e) a grant in lieu of taxes on undeveloped lands, retroactive to February 6, 1959, pursuant to section 15 of the National Capital Act, the amount of which has not yet been determined.

AUDITOR GENERAL OF CANADA

Ottawa, June 4, 1962.

THE HONOURABLE G. C. NOWLAN,  
MINISTER OF NATIONAL REVENUE,  
OTTAWA.

Sir,

The accounts and financial statements of the Canadian Broadcasting Corporation have been examined for the year ended March 31, 1962. In compliance with the requirements of section 87 of the Financial Administration Act, I now report that, in my opinion:

- (a) proper books of account have been kept by the Corporation;
- (b) the financial statements of the Corporation
  - (i) were prepared on a basis consistent with that of the preceding year and are in agreement with the books of account,
  - (ii) in the case of the balance sheet, give a true and fair view of the state of the Corporation's affairs as at the end of the financial year, and
  - (iii) in the case of the statement of operations, give a true and fair view of the operations of the Corporation for the financial year; and
- (c) the transactions of the Corporation that have come under my notice have been within the powers of the Corporation under the Financial Administration Act and any other Act applicable to the Corporation.

Yours faithfully,

A. M. HENDERSON,  
*Auditor General of Canada.*

## AUDITOR'S REPORT

To the Honourable the Minister of Transport,  
Ottawa, Canada.

I have examined the consolidated balance sheet of the Canadian National Railway System at December 31, 1961 and the consolidated income statement for the year ended on that date. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion, subject to the position with regard to depreciation accruing prior to the adoption of depreciation accounting as referred to in Note 1, the accompanying consolidated balance sheet and the related consolidated income statement are properly drawn up so as to give a true and fair view of the state

of the affairs of the System at December 31, 1961 and of the results of its operations for the year ended on that date according to the best of my information and the explanations given to me and as shown by the books of the System, and in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

I further report that, in my opinion, proper books of account have been kept by the System and the transactions that have come under my notice have been within the powers of the System.

J. A. DE LALANNE,  
*Chartered Accountant.*

## Notes to Consolidated Financial Statements at December 31, 1961

## Note 1: Property Investment

Additions since January 1, 1923 have been recorded at cost and properties and equipment brought into the System at January 1, 1923 are included at the values appearing in the books of the several railways now comprising the System to the extent that these have not been retired or replaced.

Depreciation on Canadian Lines: Depreciation accounting as adopted for equipment in 1940, for hotel properties in 1954 and for track and road structures and all other physical properties except land in 1956 has been continued in 1961. The depreciation rates used are based on the estimated service life of the properties but do not provide for depreciation which was not recorded in prior years under the replacement and retirement accounting principles then in force, nor for extraordinary obsolescence resulting from the introduction of more efficient equipment.

Depreciation on U.S. Lines: Replacement accounting for track and depreciation accounting for equipment and other physical property except land has been continued in accordance with the regulations of the Interstate Commerce Commission.

## Note 2: Material and Supplies

The inventory has been priced at laid down cost based on weighted average cost for ties, rails and fuel and latest invoice price for new material in general stores, and at estimated utility or sales value for usable second hand, obsolete and scrap materials.

## Note 3: St. Lawrence Seaway

The Company's expenditures related to the track diversion and re-arrangement of the approaches to the Victoria Jubilee Bridge necessitated by the construction of the St. Lawrence seaway are included in Other Assets pending settlement with the St. Lawrence Seaway Authority of the Company's claim including interest, amounting to \$13.5 million.

## Note 4: Capital Stock

The capital stock of the Canadian National Railway Company (other than the four per cent preferred stock) and the capital investment of Her Majesty in the Canadian Government Railways are included in the net debt of Canada and disclosed in the historical record of government assistance to railways as shown in the Public Accounts of Canada.

## Note 5: Major Commitments

## (a) Pension Funds:

The Company has given a written acknowledgement to the Trustee of the Pension Funds for an amount not exceeding \$325,000,000 for the outstanding liability in respect of prior service of active employees.

## (b) Vacation Pay:

In accordance with past practice the Company has not recorded the liability for vacations earned in 1961 which will be paid in 1962.

## (c) Chicago &amp; Western Indiana Railroad Company:

Pursuant to a joint supplemental lease dated May 1, 1952, the Grand Trunk Western Railroad Company and four other property-tenant companies are obligated to pay, as rental, sinking fund payments sufficient to retire bonds at maturity and interest as it falls due with respect to First Collateral Trust Mortgage 4½% Sinking Fund Bonds Series "A" due May 1, 1982. The Grand Trunk Western's proportion is one-fifth in the absence of default of any of the other tenant companies. The bonds outstanding at December 31, 1961 total \$49,414,000.

## (d) Detroit &amp; Toledo Shore Line Railroad Company:

The Grand Trunk Western Railroad Company is jointly and severally liable as guarantor of principal, interest and sinking fund payments with respect to \$2,713,000 First Mortgage 3¼% 30 year Series "A" Bonds, due December 1, 1982, of the Detroit & Toledo Shore Line Railroad Company.

J. A. DE LALANNE

CHARTERED ACCOUNTANT

507 PLACE D'ARMES, MONTREAL

March 13, 1962.

TO THE HONOURABLE THE MINISTER OF TRANSPORT,  
OTTAWA, CANADA

Sir:

As auditor of Canadian National Railways, I report, through you, to Parliament on my audit of the accounts of the System for the year ended December 31, 1961.

I have signed a separate report in the following terms which, together with the related financial statements, is included in the annual report of the System.

"I have examined the consolidated balance sheet of the Canadian National Railway System at December 31, 1961 and the consolidated income statement for the year ended on that date. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion, subject to the position with regard to depreciation accruing prior to the adoption of depreciation accounting as referred to in Note 1, the accompanying consolidated balance sheet and the related consolidated income statement are properly drawn up so as to give a true and fair view of the state of the affairs of the System at December 31, 1961 and of the results of its operations for the year ended on that date, according to the best of my information and the explanations given to me and as shown by the books of the System, and in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

I further report that, in my opinion, proper books of account have been kept by the System and the transactions that have come under my notice have been within the powers of the System."

I offer the following comments:

## PROPERTY INVESTMENT

It will be seen from the Property Investment Statement that gross additions during the year 1961,—exclusive of Government of Canada expenditures on Canadian Government Railways,—were \$115,843,567 which was about \$54,000,000 lower than the additions in 1960. On the other hand, depreciation accruals increased by some \$4,000,000.

The trend over the past six years is indicated in the following table:

	Gross additions	Depreciation accruals
1961 .....	\$ 115,844,000	\$ 92,668,000
1960 .....	169,823,000	88,712,000
1959 .....	222,070,000	86,311,000
1958 .....	247,144,000	72,338,000
1957 .....	255,428,000	78,660,000
1956 .....	203,300,000	63,851,000

The lower additions in 1961 resulted from reduced expenditures for practically all the main classifications of Road and Equipment.

It may be of interest also to note that, for the first time in many years, it was possible to carry out the capital programme without recourse to additional borrowings on long term debt—except for the requirements of Trans-Canada Air Lines.

CANADIAN NATIONAL RAILWAYS—*Concluded*

## LONG TERM DEBT

During the year there was an increase of \$9,340,148 in long term debt, accounted for as under:

Loans from Government of Canada for Trans-Canada Air Lines ....	18,571,000
Less: Reduction in loans for Railway account .....	1,999,550
	<u>16,571,450</u>
Reduction in bonds and debentures outstanding—	
Issues matured during 1961 including final payment on Equipment	
Trust Certificates .....	4,281,302
Bonds acquired through Purchase Fund .....	2,950,000
	<u>7,231,302</u>
Net increase .....	<u>\$ 9,340,148</u>

No new bonds were sold during 1961 and the unamortized discount was reduced to \$24,236,133.

Provision had been made at December 31, 1961 for the foreign exchange required for the repayment of the two issues of Grand Trunk Pacific bonds maturing on January 1, 1962.

As regards the \$700,000,000 bonds issued during 1959 and 1960, it is a condition of these issues that the Railway Company will use its best efforts to purchase each quarter a stated percentage of each issue at prices not exceeding the original issue prices. If the prices had been equal to or lower than the respective issue prices throughout the year, the total re-purchaseable would have been \$16,700,000 par value. However, only \$2,950,000 par value of such issues were acquired in 1961, the market prices being higher than the original issue prices for extended periods during the year.

## INVESTMENTS IN AFFILIATED COMPANIES NOT CONSOLIDATED

Additions during 1961 amounted to \$18,900,762 of which \$18,571,000 applied to Trans-Canada Air Lines, bringing the total investment in and advances to this company to \$232,671,000.

## INSURANCE FUND AND RESERVE

At December 31, 1961 the Fund consisted of the following—

Securities—at cost or amortized value .....	14,756,397
Cash, accrued interest, etc., less accounts payable .....	243,603
	<u>\$15,000,000</u>

The value of the above securities, based on market quotations, was approximately 11% lower than as shown above, as compared with 15% at December 31, 1960.

At December 31, 1961 there were some 250 outstanding claims of varying amounts, the respective cost of which had not been completely established. The aggregate amount which will eventually be charged against the reserve in this connection has been estimated at \$690,000.

## GENERAL

It may be of interest to note that the value of Materials and Supplies carried in the balance sheet at December 31, 1961 at \$74,609,162 was some \$10,000,000 lower than at the end of the previous year and that it was the lowest investment in Materials and Supplies at any year-end since 1949.

A settlement has not yet been reached with the St. Lawrence Seaway Authority in regard to track diversion and rearrangement of approaches to Victoria Jubilee Bridge. Pending such settlement, the cost continues to be accumulated with interest in an account classified under Other Assets in the balance sheet.

Further progress was made during the year in the modification of the accounting system being designed to meet the requirements of management as emphasized by the reorganization of the Company undertaken in 1961. This has imposed added responsibilities in all the accounting departments and has involved extensive relocation and training of personnel in new positions. While every effort is being made to achieve the desired results as expeditiously as possible, it must be appreciated that the full benefits can only be attained over a period of time.

I wish to extend my thanks and appreciation to the officers and staff of the System for their continued co-operation and assistance in the conduct of my audit.

Yours faithfully,

J. A. DE LALANNE,  
Chartered Accountant.

## CERTIFICATE OF AUDITOR

I have examined the books and records of The Canadian National Railways Securities Trust for the year ended December 31st, 1961.  
The Collateral and Other Securities, as set out in Schedules A.1 and A.2 attached hereto, were verified by examination.

Dated at Montreal,  
February 26, 1962.

In my opinion, the above Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the Trust's affairs at December 31st, 1961, in accordance with the provisions of The Canadian National Railways Capital Revision Act, 1952.

AUDITOR GENERAL OF CANADA

Ottawa, June 21, 1962.

THE HONOURABLE LEON BALZER,  
MINISTER OF TRANSPORT,  
OTTAWA.

Sir,

The accounts and financial statements of the Canadian Overseas Telecommunication Corporation have been examined for the year ended March 31, 1962. In compliance with the requirements of section 87 of the Financial Administration Act, I now report that, in my opinion:

- (a) proper books of account have been kept by the Corporation;
- (b) the financial statements of the Corporation
  - (i) were prepared on a basis consistent with that of the preceding year and are in agreement with the books of account,
  - (ii) in the case of the balance sheet, give a true and fair view of the state of the Corporation's affairs as at the end of the financial year, and
  - (iii) in the case of the statement of income and expense, give a true and fair view of the income and expense of the Corporation for the financial year; and
- (c) the transactions of the Corporation that have come under my notice have been within the powers of the Corporation under the Financial Administration Act and any other Act applicable to the Corporation.

Yours faithfully,

A. M. HENDERSON,  
*Auditor General of Canada.*

## Auditors' Report

TO THE MINISTER OF PUBLIC WORKS:

We have examined the attached financial statements of Central Mortgage and Housing Corporation for the year ended December 31, 1961 and have obtained all the information and explanations we have required. Our examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as we have considered necessary in the circumstances.

In our opinion, proper books of account have been kept and the transactions of the Corporation that have come under our notice have been within the powers of the Corporation.

In our opinion, and according to the best of our information and the explanations given to us and as shown by the books of the Corporation, the attached financial statements are properly drawn up so as to exhibit a true and correct view of the state of the affairs of the Corporation as at December 31, 1961 and the results of its operations for the year ended on that date, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

AUDITOR GENERAL OF CANADA

Ottawa, March 16, 1962.

THE HONOURABLE GEORGE HEES,  
MINISTER OF TRADE AND COMMERCE,  
OTTAWA.

Sir,

The accounts and financial statements of Eldorado Mining and Refining Limited have been examined for the year ended December 31, 1961. In compliance with the requirements of section 87 of the Financial Administration Act, I now report that, in my opinion:

- (a) proper books of account have been kept by the Company;
- (b) the financial statements of the Company
  - (i) were prepared on a basis consistent with that of the preceding year and are in agreement with the books of account,
  - (ii) in the case of the balance sheet, give a true and fair view of the state of the Company's affairs as at the end of the financial year, and
  - (iii) in the case of the statement of income and expense, give a true and fair view of the income and expense of the Company for the financial year; and
- (c) the transactions of the Company that have come under my notice have been within the powers of the Company under the Financial Administration Act and any other Act applicable to the Company.

In accordance with the requirements of section 118 of the Companies Act, R.S. 1952, I report that the profit for the year of Northern Transportation Company Limited, a wholly-owned subsidiary, has not been included in the accounts of Eldorado Mining and Refining Limited. The expenses of Eldorado Aviation Limited, another wholly-owned subsidiary, were apportioned to and were recovered or recoverable from Eldorado Mining and Refining Limited and Northern Transportation Company Limited as at December 31, 1961.

Yours faithfully,

FARM CREDIT CORPORATION—*Concluded*

AUDITOR GENERAL OF CANADA

Ottawa, May 30, 1962.

THE HONOURABLE ALVIN HAMILTON,  
MINISTER OF AGRICULTURE,  
OTTAWA.

Sir,

The accounts and financial statements of the Farm Credit Corporation have been examined for the year ended March 31, 1962.

In my reports for the years ended March 31, 1960 and March 31, 1961, reference was made to borrowings from the Government of Canada at an interest rate of  $5\frac{1}{2}$  per cent per annum and it was pointed out that as the Corporation was limited by statute to an interest rate of 5 per cent on loans to farmers it would suffer a direct loss of \$3 million on these borrowings. During the year under review, \$27 million was borrowed from the Government of Canada at a rate of 5 per cent and \$27.5 million was borrowed at  $4\frac{1}{2}$  per cent per annum.

In compliance with the requirements of section 87 of the Financial Administration Act I now report that, in my opinion:

- (a) proper books of account have been kept by the Corporation;
- (b) the financial statements of the Corporation
  - (i) were prepared on a basis consistent with that of the preceding year and are in agreement with the books of account,
  - (ii) in the case of the balance sheet, give a true and fair view of the state of the Corporation's affairs as at the end of the financial year, and
  - (iii) in the case of the statement of income and expense, give a true and fair view of the income and expense of the Corporation for the financial year; and
- (c) the transactions of the Corporation that have come under my notice have been within the powers of the Corporation under the Financial Administration Act and any other Act applicable to the Corporation.

Yours faithfully,

A. M. HENDERSON,  
*Auditor General of Canada.*

## AND SUBSIDIARY COMPANIES

## Notes to Consolidated Financial Statements

## 1. Basis of consolidation and exchange conversion

The accompanying financial statements consolidate the accounts of Polymer Corporation Limited and its subsidiaries Polysar Belgium, S.A., and Polymer Corporation (SAF). For purposes of comparison the financial statements for 1960 have been re-stated on a consolidated basis. Assets and liabilities in foreign currencies have been converted to Canadian dollars at rates of exchange in effect on December 31 except Fixed Assets and Deferred Charges which were converted at the rates prevailing when the exchange was acquired and Long Term Debt which was converted at the rate prevailing when the debt was incurred.

## 2. Commitments

It is estimated that the capital development program of the company and its subsidiaries over the next two years will involve expenditures of \$31,000,000 for the acquisition of capital assets.

## 3. Depreciation and Income Tax

Prior to 1961 it was the practice of the parent company to limit the capital cost allowance claimed for income tax purposes to the depreciation based on the expected useful life of the assets as recorded in the company's accounts. Effective January 1, 1961, in calculating taxable income, the company is claiming the maximum capital cost allowance permitted under the Income Tax Act and such capital cost allowance exceeds the recorded depreciation for the year. The income tax thus deferred to future years, when depreciation may exceed capital cost allowance, amounts to \$1,015,000 and is shown in the Consolidated Balance Sheet under the heading "Deferred Income Tax".

## 4. Long Term Debt

In connection with its plant construction in France, Polymer Corporation (SAF) negotiated a loan in France for NF.15,000,000 (approximately \$3,000,000) due 1965-71, bearing interest at 6½% per annum, with principal and interest guaranteed by the parent company. At December 31, 1961 NF.3,000,000 had been received on this loan.

Sir,

The accounts and financial statements of Polymer Corporation Limited and its subsidiary companies have been examined for the year ended December 31, 1961. In compliance with the requirements of section 87 of the Financial Administration Act, I now report that, in my opinion:

- (a) proper books of account have been kept by the corporation and its subsidiaries;
- (b) the financial statements of the corporation and its subsidiaries
  - (i) are in agreement with the books of account and were prepared on a basis consistent with that of the preceding year, except that the assets and liabilities of the subsidiary companies, Polysar Belgium, S.A., and Polymer Corporation (SAF) are consolidated with the accounts of Polymer Corporation Limited for the year ended December 31, 1961 and the financial statements for the preceding year are adjusted in order to permit fair comparison,
  - (ii) in the case of the consolidated balance sheet, give a true and fair view of the state of the affairs of the corporation and its subsidiaries as at the end of the financial year, and
  - (iii) in the case of the consolidated statement of income and expense, give a true and fair view of the income and expense of the corporation and its subsidiaries for the financial year; and
- (c) the transactions of the corporation and its subsidiaries that have come under my notice have been within the powers of the corporation and its subsidiaries under the Financial Administration Act and any other Act applicable to the corporation and its subsidiaries.

## Notes to Balance Sheet

1. Outstanding commitments under uncompleted contracts as at December 31, 1961 amounted to approximately \$3,700,000.
2. Claims for additional compensation amounting to approximately \$7,600,000, received from contractors in respect of certain completed contracts, remained unsettled at December 31, 1961. The Authority has, with the approval of Treasury Board, made offers of settlement amounting to \$1,100,000.
3. The liability of the Authority with respect to compensation for properties under expropriation at December 31, 1961 is estimated by the Authority as amounting to \$1,200,000.
4. Negotiations with the Canadian National Railways with respect to responsibility for the cost of track diversion and rearrangement of the approaches to the Victoria Jubilee Bridge were continued during the year. The cost of this work to the Railways, including interest and other charges, is estimated by the Railways at \$13,500,000. The Authority disclaims responsibility for these costs.  
In the event that the parties fail to agree on a settlement, the matter will be referred to the Governor in Council as provided for in the agreement of January 12, 1956 between the Railways and the Authority.
5. The terms of the Authority's financing arrangements were amended by Order in Council P.C. 1961-1863 of December 29, 1961, and the principal amount of loans received under Section 25 of the St. Lawrence Seaway Authority Act to finance construction of the Seaway, together with interest previously deferred and all other interest now accrued or accruing up to December 31, 1963, is now to be repaid, together with current interest thereon, in forty-six equal annual instalments commencing December 31, 1964.
6. The Reserve for Replacement of Movable Equipment amounting to \$719,440 at December 31, 1961 represents the accumulated provision for replacement of certain equipment having an estimated useful life of less than fifty years. No provision has been made for the cost of replacing movable equipment which has an estimated useful life of more than fifty years or for lock and bridge operating equipment regardless of its life expectancy.

## THE ST. LAWRENCE SEAWAY AUTHORITY—Continued

AUDITOR GENERAL OF CANADA

Ottawa, March 30, 1962.

THE HONOURABLE LEON BALCER,  
MINISTER OF TRANSPORT,  
OTTAWA.

Sir,

The accounts and financial statements of The St. Lawrence Seaway Authority have been examined for the year ended December 31, 1961.

Section 25 of the St. Lawrence Seaway Authority Act provides that the Minister of Finance, with the approval of the Governor in Council, may from time to time make loans to the Authority. Section 13 of the Act, as amended, states that the aggregate of the amounts so borrowed under the Act and outstanding shall not at any time exceed \$345,000,000.

The accompanying balance sheet shows that the Authority was indebted to the Government of Canada on December 31, 1961 in respect of loans and deferred interest in the total amount of \$361,716,057, made up as follows:

Loans under section 25 of the Act ... ..	328,000,000
Interest to December 31, 1959—deferred ... ..	19,427,117
Interest for the year 1961—deferred ... ..	14,288,940
	<hr/>
	<u>\$361,716,057</u>

Under the provision of section 16 of the St. Lawrence Seaway Authority Act, tolls are to provide a revenue sufficient to defray the cost to the Authority of its operations, which costs, in addition to those of operating and maintaining the canals and works, are defined under subsection (a) and (b) of section 16 as being payments in respect of the interest on amounts borrowed by the Authority and amounts sufficient to amortize the principal of amounts so borrowed over a period not exceeding fifty years. Pursuant to these provisions, the original conditions under which loans were made to the Authority under section 25 of the Act required the payment of interest only in the first three full years of operation (through the year ending December 31, 1962) and thereafter payment of annual amounts sufficient to amortize over a period of forty-seven years (or by December 31, 2009) all loans and interest thereon.

As pointed out in Balance Sheet Note number (5) the terms of the Authority's financing arrangements were amended during the year and now call for repayment of all loans together with interest previously deferred and all other interest now accrued or accruing up to December 31, 1963, together with current interest thereon, in forty-six equal annual instalments commencing December 31, 1964.

In accordance with these financial arrangements the year's operations have been charged with interest amounting to \$13,792,739 (an additional amount of \$496,201 was included in construction costs), but this interest has not been paid and is included in the balance sheet as part of the Proprietary Equity of the Government of Canada. There was no charge to the year's operations with respect to amortization of the principal of the amounts borrowed.

The costs of operating and maintaining the canals and works under the administration of the Authority are defined under subsection (c) of section 16 as including all operating costs of the Authority and such reserves as may be approved by the Minister. The Authority is of the opinion that it is not necessary to include depreciation as an element of operating and maintenance cost and that the amortization over the fifty year period of the principal of the amounts borrowed together with interest as required by subsections (a) and (b) meets the requirements of the Act. Accordingly, no provision for depreciation has been included in the costs for the year under review. An amount of \$200,565 was provided during the year under review toward the cost of replacement of movable equipment having an estimated lifetime of less than fifty years. No provision has been made for the replacement of movable equipment which has an estimated useful life of more than fifty years, or for lock and bridge operating equipment regardless of its life expectancy. Since replacement of worn-out assets is an operating cost, we believe that the financial plans of the Authority should include provision for all such replacements, whether required within or beyond the period of fifty years provided by the Act for retirement of its indebtedness.

THE ST. LAWRENCE SEAWAY AUTHORITY—*Concluded*

In compliance with the requirements of section 87 of the Financial Administration Act, I now report that, in my opinion, subject to the above observations:

- (a) proper books of account have been kept by the Authority;
- (b) the financial statements of the Authority
  - (i) were prepared on a basis consistent with that of the preceding year, and are in agreement with the books of account,
  - (ii) in the case of the balance sheet, give a true and fair view of the state of the Authority's affairs as at the end of the financial year, and
  - (iii) in the case of the statement of income and expense, give a true and fair view of the income and expense of the Authority for the financial year; and
- (c) the transactions of the Authority that have come under my notice have been within the powers of the Authority under the Financial Administration Act and any other Act applicable to the Authority.

Yours faithfully,

A. M. HENDERSON,  
*Auditor General of Canada.*

J. A. DE LALANNE

CHARTERED ACCOUNTANT

507 PLACE D'ARMES, MONTREAL

February 22, 1962.

TO THE HONOURABLE THE MINISTER OF TRANSPORT,  
OTTAWA, CANADA.

Sir:

As auditor of Trans-Canada Air Lines, I report, through you, to Parliament on my audit of the accounts of that Corporation for the year ended December 31, 1961.

I have signed a separate report in the following terms which, together with the related financial statements, is included in the annual report of the Corporation.

"I have examined the balance sheet of Trans-Canada Air Lines as at December 31, 1961 and the statement of income for the year ended on that date. My examination included a general review of the accounting procedures and such tests of accounting records and other supporting evidence as I considered necessary in the circumstances.

In my opinion, the accompanying balance sheet and the related statement of income are properly drawn up, in accordance with generally accepted accounting principles applied on a basis consistent with that of the preceding year, so as to give a true and fair view of the state of the affairs of the Corporation at December 31, 1961 and of the results of its operations for the year ended on that date, according to the best of my information and the explanations given to me and as shown by the books of the Corporation.

I further report that, in my opinion, proper books of account have been kept by the Corporation and the transactions that have come under my notice have been within the powers of the Corporation."

I offer the following further comments—

## CAPITAL ASSETS

*Property and Equipment*

There was an increase of \$65,706,172 during the year in the net investment in Property and Equipment, as summarized hereunder:

*Additions*

Aircraft and component parts—including 4 DC8's and 17 Vanguards .....	80,204,461
Ground facilities and components—including Vancouver maintenance base .....	6,611,442

---

86,815,903

*Less: Retirements—including*

1 Super Constellation, 21 North Stars, 5 DC3's and 1 hangar at Vancouver .....	23,763,587
---	------------

---

63,052,316

<i>Decrease in accumulated depreciation</i> —after applying \$21,648,357 for Property and Equipment retired during the year .....	2,653,856
--	-----------

---

<i>Net increase in Property and Equipment .....</i>	<i>\$65,706,172</i>
---	---------------------

---

Depreciation has been provided on a "straight line" method as follows:

*Aircraft*—to reduce to residual values over periods of years from date of being placed in regular service.

DC3	—reduced to residual value in prior years
Super Constellation	—seven years
Viscount	—nine years
DC8	—period increased from ten years to twelve years commencing with the year 1961
Vanguard	—ten years

## TRANS-CANADA AIR LINES—Continued

*Ground Facilities*—to amortize over estimated useful life, the period depending upon the type of asset.

All units of the Super Constellation fleet have been removed from scheduled service subsequent to December 31, 1961.

*Progress Payments*

These amounted to \$12,191,885 at December 31, 1961 and were \$46,345,332 lower than at the end of the previous year.

They apply to the following commitments, including capitalized interest:

*Aircraft—*

3 Vickers Vikings for delivery in 1962 .....	4,799,490
4 Douglas DC8Fs for delivery in 1963 .....	2,744,241
Buildings and Automatic Reservations System .....	4,648,154
	<u>\$12,191,885</u>

Further payments totalling \$33,000,000 remain to be paid either prior to or on completion of present contracts.

As the conversion from piston aircraft to an all-turbine fleet is now virtually completed, the following table (expressed in millions) may be of interest to indicate the progressive investment in Property and Equipment during the conversion period.

	Additions including progress payments	Sales and retirements	Investment at end of year	
			Cost	Accumulated depreciation
1954 .....			57.7	28.0
1955 .....	16.4	1.9	72.2	31.5
1956 .....	10.4	1.6	81.0	37.0
1957 .....	26.0	1.5	105.5	42.4
1958 .....	36.3	3.2	138.6	49.9
1959 .....	60.7	1.8	197.5	61.0
1960 .....	82.3	4.2	275.6	72.5
1961 .....	40.5	23.8	292.3	69.9
Total—7 years ....	<u>\$ 272.6</u>	<u>\$ 38.0</u>		
Increase in 7 years			<u>\$234.6</u>	<u>\$ 41.9</u>

The programme has been financed from funds made available from the Air Lines operations and sale of assets, and loans and debentures which increased during the seven-year period by \$204,571,000.

## LOANS AND DEBENTURES

During the year there was an increase of \$18,571,000 in the loans payable to Canadian National Railways. There was no change in debentures outstanding.

Notes and debentures outstanding at December 31, 1961 become payable as follows:

*Notes*

Demand .....	27,000,000
Maturing in 1962, subject to renewal .....	18,571,000

## TRANS-CANADA AIR LINES—Continued

*Debentures*

Maturing December 15, 1964 but exchangeable at the option of the holder on or before June 15, 1964 for debentures of the same issue maturing in 1971..	34,994,000
Maturing in 1967-1987 .....	147,106,000
	<u>\$227,671,000</u>

## MATERIALS AND SUPPLIES

During the year, the inventories of the piston aircraft fleet were reduced by approximately \$3,000,000 as a result of the progressive retirements of this type of aircraft.

On the other hand, the provisioning for the DC8 and Vanguard fleets required an additional investment of some \$10,000,000 in Materials and Supplies.

## UNAMORTIZED AIRCRAFT INTRODUCTORY COSTS

Further amounts were deferred in this connection during the year 1961 consistent with the policy adopted in 1960. The unamortized balance at December 31, 1961 was \$3,047,765.

## INSURANCE FUND AND RESERVE

The fund was increased during the year by \$2,672,290 representing interest earned on securities of \$297,288 and accruals of \$2,375,002 charged to operations.

There were no charges against the fund during 1961.

At the end of the year the fund was comprised of—

Securities—at cost .....	8,262,712
Cash and accrued interest .....	99,645
	<u>\$8,362,357</u>

The quoted market value of securities at December 31, 1961 was 7% lower than cost as compared with 13.5% at the end of the previous year.

## RESERVE FOR PROPERTIES, PLANT AND EQUIPMENT

During the year an amount of \$2,602,963 was charged against this reserve in connection with the retirement of the DC3 and North Star fleets, leaving a balance of \$4,238,705 in the reserve at December 31, 1961.

## CURRENT POSITION—WORKING CAPITAL

There was a decrease of \$5,056,073 in working capital during the year attributable as under:

*Funds Provided from—*

Depreciation and amortization .....	19,921,497
Increase in advances by Canadian National Railways .....	18,571,000
Retirements—Property and Equipment .....	23,763,587

Adjustment in value of Materials and Supplies related to retired aircraft—charged against reserves .....	3,122,586
	<u>45,663,800</u>
Decrease in Working Capital .....	<u>\$ 5,056,073</u>

TRANS-CANADA AIR LINES—*Concluded*

## STATEMENT OF INCOME

Income from operations, before providing for depreciation was \$7,341,659 higher than in 1960—revenues showing an increase of 11% as against only 7% in operating expenses before depreciation.

However, this improvement was more than offset by higher depreciation and interest charges arising from the progressive delivery and placing in service of the new turbine aircraft and supporting facilities during the latter part of 1960 and throughout 1961, the increases being as under:

Depreciation and amortization .....	\$6,250,194
Interest on loans and debentures .....	\$2,413,867

In addition, in keeping with established practice, capitalization of interest ceased with the acceptance and placing in service of these aircraft and facilities and, hence, there was a marked reduction in the aggregate amount of interest capitalized. The effect of this reduction on the net earnings for 1961 is reflected in the lower amount of non-operating income as shown in the statement of income.

## GENERAL

Where applicable, foreign currencies at December 31, 1961 have been converted at rates similar to those in effect in prior years—viz. United States dollars at par and Sterling at \$2.80 to the pound.

I wish to extend my thanks and appreciation to the officers and staff of the Corporation for their continued co-operation and assistance in the conduct of my audit.

Yours faithfully,

J. A. DE LALANNE,  
*Chartered Accountant.*

## AUDITOR'S REPORT

MILLAR, MACDONALD &amp; CO.

CHARTERED ACCOUNTANTS

THE CANADIAN WHEAT BOARD,  
WINNIPEG, MANITOBA.

We have examined the Consolidated Balance Sheet of The Canadian Wheat Board as at 31st July, 1961 and the statements of operations and supporting schedules for the crop year ended on that date and have obtained all the information and explanations we have required. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion and according to the best of our information and the explanations given to us and as shown by the books of the Board, the accompanying Consolidated Balance Sheet and statements of operations and supporting schedules are properly drawn up so as to exhibit a true and correct view of the financial position of The Canadian Wheat Board as at 31st July 1961, and the results of its operations for the crop year ended on that date, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

## AUDITOR'S REPORT

We have examined the above Statement of Advance Payments to Producers under the Prairie Grain Advance Payments Act as at 31st July 1961, for the crop years 1957-58, 1958-59, 1959-60 and 1960-61, and have obtained all the information and explanations we have required. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In our opinion the above Statement of Advance Payments to Producers is properly drawn up so as to exhibit a true and correct view of the result of transactions on this account as at 31st July 1961, according to the best of our information, the explanations given to us, and as shown by the records separately maintained by The Canadian Wheat Board for transactions under the Prairie Grain Advance Payments Act.

NORTHERN ONTARIO PIPE LINE CROWN CORPORATION—*Concluded*

AUDITOR GENERAL OF CANADA

Ottawa, March 22, 1962.

THE HONOURABLE GEORGE HEES,  
MINISTER OF TRADE AND COMMERCE,  
OTTAWA.

Sir,

The accounts and financial statements of the Northern Ontario Pipe Line Crown Corporation have been examined for the year ended December 31, 1961. In compliance with the requirements of section 87 of the Financial Administration Act I now report that, in my opinion:

- (a) proper books of account have been kept by the Corporation;
- (b) the financial statements of the Corporation
  - (i) were prepared on a basis consistent with that of the preceding year and are in agreement with the books of account, and
  - (ii) in the case of the balance sheet, give a true and fair view of the state of the Corporation's affairs as at the end of the financial year, and
- (c) the transactions of the Corporation that have come under my notice have been within the powers of the Corporation under the Financial Administration Act and any other Act applicable to the Corporation.

Yours faithfully,

A. M. HENDERSON,  
*Auditor General.*
